

The VISTA REDONDA SUBDIVISION is reached from State Road 592 by turning left from the paved road about 1.1 miles east of the entrance to Ranch Encantado. There are 82 individual building suites that are reached from about four miles of unpaved roads. Most of the sites are just over 5 acres. The Deed Restrictions forbid any subdivision of these properties. Only one family residence may be constructed on a building site. The Architectural Committee as set forth in the Architectural Guidelines must approve the plans for any new building or any changes to an existing one in writing. At the time of this writing there are approximately 65 houses in Vista Redonda.

VISTA REDONDA PROPERTY OWNERS ASSOCIATION:

The Association is run by a voluntary Board of Directors elected by the members of the community (all property owners who are Members in Good Standing).

There are between five (5) and eleven (11) directors (including officers) elected at the Annual Meeting of the Membership held in July each year.

Documents, minutes of Board meetings and general information are posted on the Vista Redonda website at vistaredonda.net.
